**Important events to be reported: *Autonom receives EUR 15 million EIB backing to increase electric car fleet***

Autonom Services SA informs all the interested parties that it received EUR 15 million from European Investment Bank (EIB) in order to increase the electric car fleet.

- The first EIB support for green business transport in Romania and the first EIB financing for the Autonom Group;
- This initiative will enable Romania's largest mobility service provider to acquire 895 electric and hybrid vehicles;
- The investment will cut emissions, reduce pollution and noise from business vehicles;
- Low carbon vehicle leasing will help business users to save money and reduce carbon emissions.

The new cooperation between the European Investment Bank and Autonom will enable a greater use of electric and low-carbon vehicles by businesses across Romania. The EUR 15 million financing formally announced in Bucharest today will help accelerate the transition to the greater use of low emission vehicles in Romania and help businesses to reduce carbon emissions.
